Transportation will be provided from the hotel to the farm.

H. L. Straus

The following resolution, adopted by the Allegheny-Blue Ridge Shorthorn Association, was addressed to the family of Mr. Strauss, the Maryland Shorthorn breeders' Association, and the American Shorthorn Breeders' Association. It is printed here because it expresses so perfectly the deep sense of personal loss felt over the untimely death of Mr. Straus, by all persons associated with the affairs of Shorthorn and Polled Shorthorn cattle:

WHEREAS, the death of H. L. Straus has caused the Shorthorn breed to lose a wise and courageous leader, an ardent and conscientious supporter, and a warm and congenial friend, and

WHEREAS, the members of the Allegheny-Blue Ridge Shorthorn Association feel that they, along with all other Shorthorn breeders, have suffered an irreparable loss, therefore, be it

RESOLVED, that the members of the Allegheny-Blue Ridge Shorthorn Association express to Mr. Straus' family, to the Maryland Shorthorn Breeders' Association and to the American Shorthorn Breeders' Association, their wholehearted appreciation for H. L. Straus' service to the breed, their appreciation for the privilege of having known and been associated with him, and their deep sympathy for his untimely passing, and be it further

RESOLVED, that the Secretary of the Allegheny-Blue Ridge Shorthorn Association be instructed to cause this Resolution to be spread upon the records of the Association, and to forward copies to the family of H. L. Straus, to the Maryland Shorthorn Breeder's Association and to the American Shorthorn Breeder's Association.

## *General Information*

This is a complete dispersion. The auction sale will contain 99 lots of registered Polled Shorthorns and Shorthorns. Fourteen good Holstein nurse cows will also be offered.

The sale will be held at Worthington Farm, Glyndon, Maryland, starting promptly at 12:00 o'clock noon, Eastern Standard Time. Lunch will be served at the farm.

The map on the opposite page will provide directions to Worthington Farms.

Headquarters for the sale will be at the Belvedere Hotel, Baltimore, Maryland. We suggest that you make hotel reservations early. You may write directly to the hotel or, if you prefer, the Sale Manager, Hal Longley, 16 S. Locust St., Aurora, Illinois, will gladly arrange reservations for you. Please be sure to state the number in your party. If you write directly to the hotel, please state that you are coming to attend the Cherry Hill Cattle Sale.

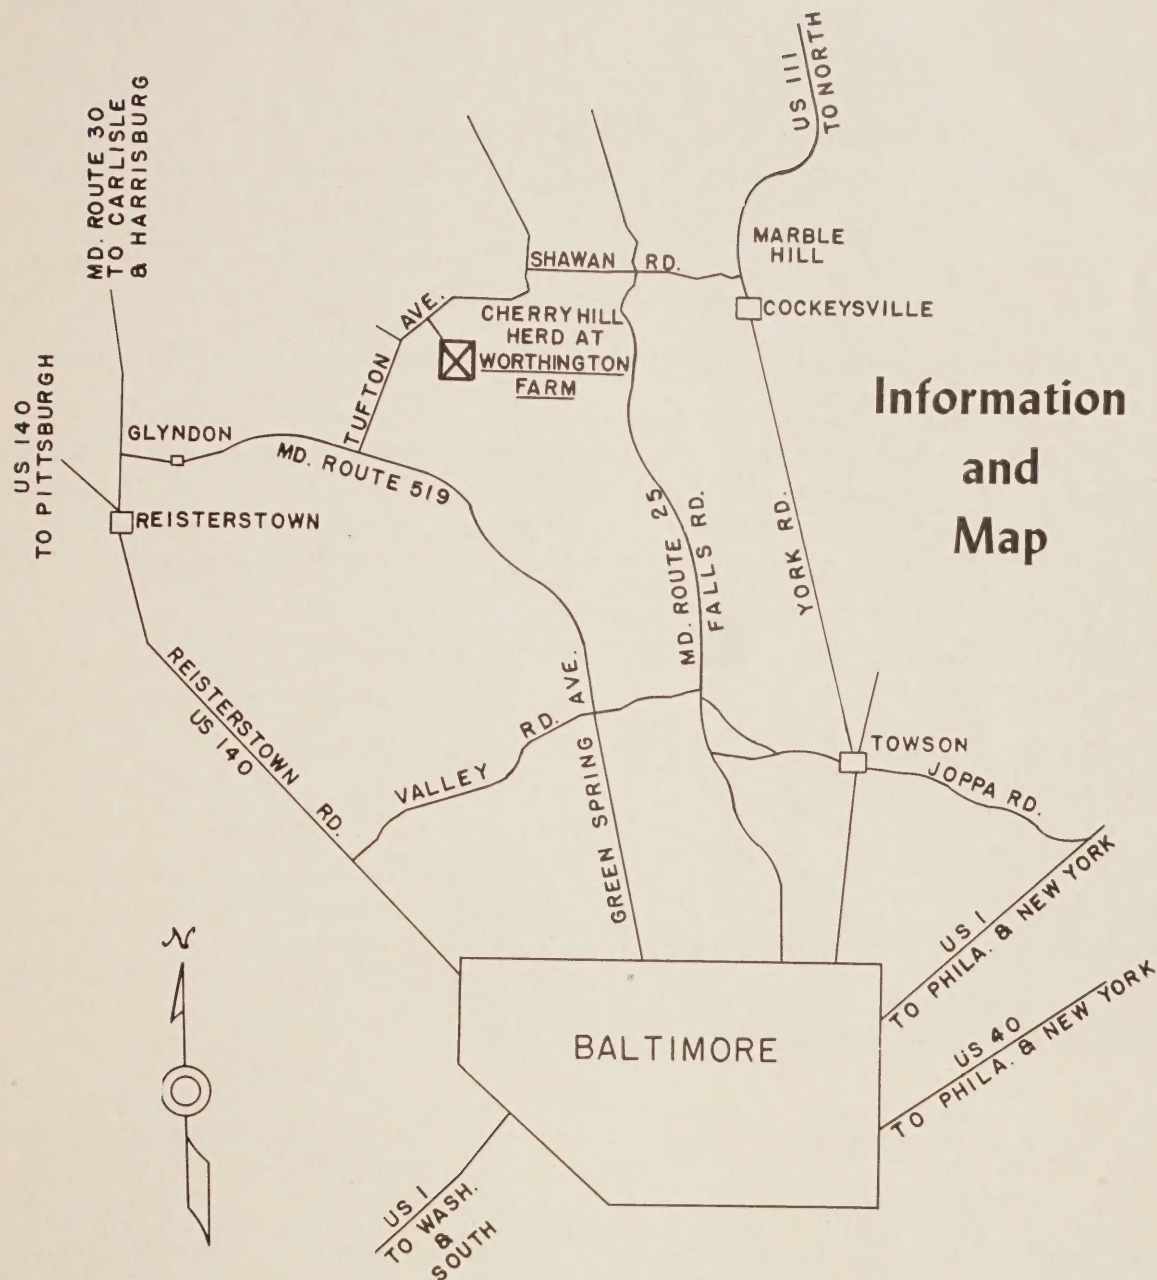

Reliable truckers will be available and we will assist in securing trucks at reasonable prices.

The auctioneers will be J. E. Halsey and Milton J. Dance.

HAL LONGLEY, Sale Manager  
16 S. Locust St., Aurora, Illinois.

A few of the Cherry Hill cows . . . the kind you will buy in this complete dispersion.

## Information and Map

This map shows the Baltimore area. Worthington Farm is easy to find and worth finding for any Shorthorn or Polled Shorthorn breeder.

Baltimore is on many railroads and the train service is excellent from New England, Western or Southern states. Equally good service is available to those who wish to travel by plane or bus. We ask those who do not drive their own cars to go directly to the Belvedere Hotel, the sale headquarters, immediately upon arrival in Baltimore. Transportation to the farm will be provided.

Motorists will find the drive to Baltimore most interesting at this season of the year. Motorists coming from the north and west should remember that Worthington Farm is located 15 miles north of Baltimore, and that they do not need to go into the city unless they so desire.

Bear in mind that the nation's capital is only 50 miles south of Baltimore. Since the Cherry Hill Dispersion is on Saturday, we suggest that you spend Sunday in Washington, D. C.

If you wish help in planning your trip or in arranging hotel reservations, please contact the Sale Manager, Hal Longley, 16 South Locust Street, Aurora, Illinois.

Although we all regret the circumstances which make this complete dispersion necessary, no one can deny the buying opportunities that such a dispersion will make possible. The herd was founded by a man who knew cattle and who had the ambition to own the greatest herd of Polled Shorthorns in the world. I am very sure that he lived to realize that ambition. Although his untimely death brought private treaty offers for the entire herd which may represent a larger total than will be possible through this public auction, it is the wish of Mrs. H. L. Straus that all of the friends of her late husband be given an equal opportunity to own the individual herd members. Thus a wonderful collection of Polled Shorthorns will be dispersed and the herds of America will be improved through the efforts of a great man.

This catalog contains no overdrawn descriptions. It is filled with facts. The show records appearing on pages 12 and 13 are a matter of public record. The footnotes have been prepared mainly for the purpose of giving production records and with very little reference to individual merit. It is a recognized fact that only the choicest specimens were purchased for the foundation of this herd. No matter how far you have to travel, buy this kind wherever you can find them. They are the kind that will take you to the top.

# *Terms and Conditions*

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. The Cherry Hill Herd is Accredited for both Bang's Disease and Tuberculosis. All animals in the sale have been tested for Bang's Disease within 30 days of the date of the sale and health certificates covering these diseases will be furnished. Calfhood vaccination for Bang's Disease has been practiced regularly in this herd. We have been careful to buy for foundation purposes only those females that have been officially calfhood vaccinated.
4. A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.
5. The pedigrees are correct. Most of the cows in the herd either have calves at foot or show evidence of being well forward in calf. The progeny of the herd bulls on sale day will furnish ample evidence of their breeding worth. Any known faults in any of the cattle offered will be clearly announced on sale day.
6. In view of the fact that this is a dispersion sale for the purpose of settling an estate, and that the herd is accredited for both Bang's Disease and Tuberculosis, and that certificates will be furnished showing all animals have been tested for Bang's Disease within thirty days of the date of the sale, and that the estate will be responsible for the correctness of the pedigrees, no guarantees will be given in connection with this sale.
7. Announcements from the auction box will take precedence over printed matter in the catalog.
8. The above terms constitute a joint contract between the Estate of H. L. Straus, the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.
9. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the H. L. Straus Estate assumes no liability, legal or otherwise, for any accidents that may occur.
10. Due to the fact that the lease on Worthington Farm has been terminated, it is important that the cattle sold in this sale be moved promptly by the purchaser or his agent.

**It takes uniformity to win in the group classes. Here are a few of the groups that won top awards for Cherry Hill at the 1949 International Live Stock Show.**

First prize get-of-sire group, sons and daughters of Collynie Compact x, at the 1949 International. From left to right they are: C H Bold Salute (Lot 5), C H Augusta Brae (Lot 20), C H Princess Royal, and Cherry Hill Clipper (Lot 34).

First prize pair of females bred and owned by exhibitor at the 1949 International. At the left is C H Princess Royal, now owned by Cannaday & Allen. Her dam is Lot 71 in this sale. At the right is C H Augusta Brae (Lot 20).

First prize pair of yearlings at the 1949 International. At the left is C H Princess Royal. At the right is Cherry Hill Brevity (Lot 4).

The Best Pair of Females, Any Age, bred by Exhibitor at the 1949 Polled Shorthorn Congress—CHERRY HILL CLARA A, grand champion female, and CHERRY HILL ESTELLE 2d—both by Collynie Compact x. These two with CHERRY HILL ADVANCE won first prize in the important get-of-sire class.

on sale day giving the exact  
service date of each bred female.**

## Collynie Compact x

We searched the country for a bull that measured up to our specifications for type and conformation and that was bred to reproduce the Polled characteristic. We found him in Collynie Compact x. Few bulls in Polled Shorthorn history can equal his record for siring top prize winners.

**Collynie Compact x**—Few bulls in Polled Shorthorn history can match his record. He sired the first prize get-of-sire group at the 1946 and 1949 Internationals, the second prize "get" at the 1948 International and the third prize "get" at the 1947 International. Sired the first prize "get" at the 1949 National Polled Shorthorn Congress. Sired the 1946 International grand champion female. Sire of the reserve champion females 1947, 1948 and 1949 Internationals. Sire of the reserve champion bull 1949 International that sells in sale as Lot 5. Sire of ten first prize winners at International 1946 through 1949 inclusive. Sire of 1947, 1948 and 1949 grand champion females and top selling females at National Polled Congresses. Also shared honors with Edellyn Royal Leader 2d in siring calves that placed first in 14 group classes and the "ten best head" at the 1946-1949 Internationals. Thirty-three head in this sale will be carrying Collynie Compact x blood and many others carry his service. Probably the greatest buying opportunity in the history of Polled Shorthorns.

**Edellyn Royal Leader 2d**

We purchased Edellyn Royal Leader 2d because we wanted to infuse into Cherry Hill Polled Shorthorns the best blood of the Shorthorn breed. He has been mated to intensely bred Polled females and all of his calves have displayed the character, quality and style that we must have to carry Polled Shorthorns to greater heights.

Third prize "get" at 1949 American Royal and runner-up in junior "get" for the Will Johnson trophy. Second in 1946 International to "get" of Collynie Compact x. Sire of grand champion bull 1949 International (sells in sale as Lot 6). Sire of 1947 International reserve champion bull and same bull was grand champion 1947 Eastern National. Sire of seven first prize winners at Internationals 1946-1949 inclusive. Sire of reserve champion female 1946 International. Sire of champion and reserve champion and two top selling bulls 1947 Polled Shorthorn Congress. Shared honors with Collynie Compact x in his "get," placing first in 14 group classes and ten best head at 1946 through 1949 Internationals. Twenty-one head by him will be available for you to see and buy on sale day. Another great opportunity that will be history-making.

**Sni-A-Bar Control**

We purchased Sni-A-Bar Control so he might reproduce his faultless conformation in the Polled form. His record has few equals in Shorthorn history. As an individual he has won the admiration of beef cattlemen of all breeds. As a sire he has few equals. In a national poll conducted by The Shorthorn World, he was voted the best all-round bull of the past quarter century.

**Sni-A-Bar Control**—Undefeated grand champion Shorthorn bull in 1946. Admired by everyone who has seen him and rated by many competent judges in all breeds as the most outstanding beef bull of all time. Unfortunately he was stifled shortly after arriving at Cherry Hill, but after an 18-months rest period he has regained full use of his leg. Although we have only a few calves to show by him, we firmly believe he is as great a sire as he was a show bull.

When the Cherry Hill Herd was established, a definite type was in mind. No animals were purchased that did not conform to this type. The picture above will show the remarkable uniformity of the Cherry Hill cows in pasture.

This complete dispersion will contain 99 lots of the most richly bred Shorthorns and Polled Shorthorns ever offered in America. Twenty cows will sell with calves at foot.

Also to be sold are 14 very good Holstein nurse cows. The Cherry Hill Herd is accredited for BOTH Tuberculosis and Bang's Disease.

Cherry Hill Cornerstone x—Very smooth and with lots of quality. He is a full brother to the bull in service in Thos. Piatt's herd. His dam sells at Lot 23.

The Cherry Hill Herd in pasture . . . grand cows with lusty calves.

When the Cherry Hill Herd was established a definite type was in mind. When an animal of that type was found and when the pedigree gave assurance of the ability to reproduce that type, a purchase was made without regard to the cost. Such a program made possible the remarkable uniformity of quality and type that has characterized all calves produced in this famous herd. Records of these calves in showring competition provide positive proof that the Cherry Hill Type Is The Right Type.

The Cherry Hill Herd is Accredited for both Tuberculosis and Bang's Disease.

On the following pages will be found the pedigrees of the 89 females that make up the permanent Cherry Hill breeding herd. These are the females that have never been priced. They are daughters of the most famous sires of the breed. Only in a complete dispersion are such females offered. Buy this kind wherever you can find them! No matter what they cost or how far you have to travel, go there and buy them! They are the kind that will take you to the top.
